

AUTUMN CARE NEWSLETTER

DECEMBER 2021

It's time to Celebrate 12 years of serving our Karns Community and show off the expansion and renovations completed just this month. We want to thank the residents for their patience during this one year construction project and are so thankful for the Karns' community embracing of Autumn Care and making it an integral part of the fabric of Karns. Peter and I are thrilled with the expansion and can't wait to show it off. Please come and join the Chamber of Commerce and all of our partners and friends as we cut the Ribbon and start filling our 20 new residents apartments.
